Updated April 22nd, 2024

What is CSNADES.gg?

- The best website for Counter-Strike players to learn all nade lineups

- Nade lineups are an essential part of competitive play

- Over 700 unique short-form nade tutorials, with more added every week

- Compilation guides for new players

- Visited by hundreds of thousands of players, including esports professionals

- Subtitled videos and fully accessible website for maximum reach

❤️ From Our Community

"Love this site, I usually play with it on my second monitor and it's taught me so many lineups!"

Underground_score

"This is awesome. Works perfectly in mobile as well. Very impressive. Great website!"

BassGaming

"Great website to help the community"

NoDG_

"This is super helpful. Love the format."

But first of all, I LOVE your layout of all the nades, it's SO practical and easy to use!

tolkienbooks
this is how websites should be. well done.

Lochie 10/29/2023 2:38 AM
yeah just found this site. 10x better than anything I found for csgo. Love the guides page in particular since it's really easy to navigate between rounds
